In addition to a lecture course a home talent minstrel will be given near the Christmas holidays and a play will be given in the spring by the Chamber of Commerce.

Frank Staplin, who registers from Albuquerque, and who was clerk of the last state legislature, and who has stores at Farmington and Cuba, N. M., is in Tucumcari for a few days.

FOR SALE—Three Jersey cows, 1 heifer calf, 2 horses, 2 pigs; 1 lot of chickens and turkeys. Also cream separator. Real bargains. C. E. Cusack. Call at 1628 South Adams St. city.

The Chamber of Commerce is placing lecture course tickets in the hands of committees from clubs, churches, societies and lodges and allowing 25 per cent for their respective funds on the sale of all tickets. As the "Down Town Reading Room" proposition is one that should have the aid of the federated clubs and all associations for the betterment of Tucumcari, local associations should aid in the success of the movement. It is hoped that 500 tickets may be sold. The idea in addition to raising funds for a good purpose is to give good wholesome entertainment of an educational nature. All the lectures will be illustrated thus avoiding a tedious effect and each lecturer will plan his number to give a witty, interesting, educational and thoroughly entertaining presentation of his subject. The travel lectures will have plenty of good stories and amusing incidents.

FOREST NOTES

Canada cuts about two million cords of pulp wood annually, about half of which is exported for manufacture in the United States.

It is claimed that some of the eucalypts of Australia are taller than the California redwoods, hitherto considered the highest trees in the world.

There are 55 oaks in the United States, about evenly divided between the east and the west. The eastern species and particularly white oaks are the most valuable.

The bureau of forestry of the Philippine Islands will send tropical timbers to the U. S. forest service so that their suitability for fine furniture veneers may be ascertained.

See

MISS CURRIE

FOR KID GLOVES of quality, fitted and guaranteed. Can order them to match any dress.

Wood block paving, tried and discarded in many cities of the United States thirty years ago, is now coming back into marked favor, due to improved methods of treating and handling the blocks.

German foresters are experimenting with Douglas fir from the United States trying to find a variety which will combine the fast-growing quality of the Pacific Coast form and the hardiness of the Rocky Mountain form.

NEWKIRK

Sabio Ratendo has been rusticated out of town for a few weeks.

Fresh Fruits and Vegetables received by express daily

THIS CUT is an exact reproduction of the way that old suit of clothes of yours will look after we have cleaned and pressed it, and given it a complete overhauling. The evenings are getting cool and we are all beginning to either wonder what we did with our summer's wages, or dig up that old suit that we wore last winter and have it made so that it looks like new. If, on the other hand you feel "right flush" drop in and see us, for we have the latest styles and fashions and we will make you a hand-tailored suit guaranteed as to fit, quality, and workmanship for the same price, if not less, than you would pay for a "hand-me-down". We will give a present to everyone who will drop into our shop and say they knew who we were by our ad.
